How to Manage the Results of Assignments Implemented Outside of e-class

You can manage various results on e-class by importing the results of written exams and assignments implemented on DUET or by other means. Imported results are displayed in [Score summary table] under the [Grades] tab.

※ If you want to import the data of results from DUET etc., you need to have the student IDs at hand.

- [1] Basic Settings
 - 1. After logging in to e-class, select the course you would like to edit.

Class Schedule Table

	Monday	Tuesday	Wednesday
1st			
2nd			
3rd			<u>» test_2020</u>

2. Click the [Create Material] button.

e-class est_2020 Aut	hor					
Material List	Course Material -	Grades *	Attendance +	Other tools+	User Management -	Course Option +
共通					Cr	eate Material

3. Click the [Import external data file] button.

Create Material				
Textbook	Create a textbook.You can also import SCORM teaching materials from here.			
<u>Essay</u>	Create an assignment for File submission.			
Test	Create a test. You can also import Hotpotatoes teaching materials from here.			
<u>Survey</u>	Create a survey.			
BBS	Create a BBS. It is suitable as a place for posting opinions and questions along a theme, and for discussion.			
<u>Wiki</u>	Create a wiki. You can create/edit pages with other persons.			
<u>Chat</u>	Create a chat. It is possible to communicate in real time.			
Class Number	Combine several materials as one learning material. You can specify the order of material to be worked on, and you can also set a passing score for the student to go on to the next material.			
FAQ / Glossary	You can summarize frequently asked questions and their answers, important terms and their meanings.			
Study Card	Record / manage student information and share it with the teacher and students.

[2] Creation of CSV Files

1. Download a sample file by clicking [sample file].

port external data file	
You can import score from CSV fil × Please prepare the CSV file which inclu × You can download <u>»sample file</u>	
Label	Image: The second state of the sec
Material name to imp	» import_external_data.csv
CSV file 参照	If you cannot download a file, and select [Save as].
Cancel	CSV file character encoding is Shift JIS.
	Close this window

2. Open the downloaded file, enter the student IDs and their scores in the cells under [user_id] and [score] respectively, and save the data.

For scores, only whole numbers can be entered. Do not delete the 1st row of the CSV files.

* If the scores you enter are not whole numbers, the score data will be loaded after being rounded down to the nearest whole number.
